Now let's go diving! If you haven't already contacted your affiliated PADI Dive Center or Resort to schedule your scuba dives do so today. You don't have to wait until you complete all knowledge development requirements for your eLearning course.

**NOTE: You must be a certified PADI Open Water Diver or similar certification prior to participation in dives for the PADI Advanced Open Water Course.**

**I, personally, have completed the PADI Advanced Open Water Diver course online components as indicated, including the Quick Review of my basic diving knowledge.**
