

Welcome to Tofo Scuba's Divemaster House

The Divemaster House is our own house for those doing their divemaster with Tofo Scuba! It is a brand new, 5-bedroom house with a huge open plan kitchen and lounge, it is much nicer than the usual places, more secure and water, electricity and gas bills are included. All rooms have en-suite bathrooms, fans and hot water. The communal areas have a TV, fully functional kitchen, fridges etc. and unlimited wifi. There is also a cleaner and a live in guard included in the price. Rooms are lockable and will be cleaned once a week and communal areas when needed – between 1- 6 days a week depending on how many people are staying.

The rent at the Divemaster House is 200 USD per month per room (250 USD for two people sharing). There are huge rooms and smaller rooms and the rooms are allocated on a first come, first served basis. All you need to bring with you is a mosquito net – All rooms have double beds unless you are friends sharing, in which case you should bring a single Mosquito net.

The house is just a 5-minute walk from the surfer's haven, Tofinho Beach. It is a 10- minute walk to Tofo Market and Tofo beach. It is a 20-minute walk away from Tofo Scuba.
